Welcome, Children, to the lands of darkness and nocturnal happenings, where what you see is not necessarily what it seems. Is that Avery? Or Nick making high pitched noises? Welcome to a place where your usual senses can fail you and you must adapt if you wish to survive.

In case of emergency your child will be brought to Newton Wellesley Hospital 617 2436000. This program must comply with the regulation of the MA Health Dept. and must be licensed by the City of Newton Health Department
