Friday July 13<sup>th</sup>

Today we will embark on the scientific journey of old. For many years envisci students have roamed the halls of science in search of an answer. Maybe you the campers of envisci 2018 can follow in their foot steps.

Trivia  
What are some different forms of alternative energy?  
What two cities is the Museum in?

In case of emergency, your child will be brought to Massachusetts general Hospital, 617-726-2000. This program must comply with the regulations of the Massachusetts Department of health, and must be licensed by the City of Newton health Department.
