Greetings intrepid envi-
sciers! Today we will
be cycling into Weston
to check out the observatory,
where we will learn about
seismography (earthquakes
& stuff) as well as the
plate tectonics behind the
readings.

OBSERVATORY

My god! Just look
at those readings!
There must be a
herd of elephants
outside

In case of emergency, your child will be brought to the Newton
Wellesley Hospital (617) 243-6000. This program must comply with the regulations
